I. **PURPOSE**: The purpose of this Request for Proposals (RFP) is to solicit sealed proposals to establish a contract through competitive negotiation for the design, purchase, installation, training, and maintenance of an integrated digital audio visual capture and medical simulation management system for the Longwood University Nursing Program Clinical Simulation Learning Center.

II. **BACKGROUND**: Longwood University launched a new Bachelor of Science in Nursing (BSN) program in fall 2009. The nursing program has been structured to prepare nurses who can provide high quality, compassionate health care, demonstrate leadership for the nursing profession and enhance the common good. Built on a strong science foundation, the program includes coursework in the liberal arts and humanities and extensive clinical experiences in both healthcare settings and in the clinical simulation laboratory. The use of simulated clinical experiences for nursing and other healthcare provider students and practitioners is expanding rapidly, and research demonstrates its effectiveness. The Clinical Simulation Learning Center will be completed in phases, with each phase driven by the demands of the curriculum. Phase I of the Clinical Simulation Learning Center needs to be completed for students to utilize in their first Clinical Skills courses by August 2010. The simulation laboratory will soon be under construction and the contractor awarded this contract will work closely with the general contractor to design and install a state-of-the-art integrated digital audio video capture and medical simulation management system as set forth in the STATEMENT OF NEEDS below.

III. **STATEMENT OF NEEDS**: Offeror shall propose a total "turn-key" computer/web based digital audio video capture and medical simulation management system for the simulation laboratories including design, installation, hardware, software, training, customer service, support and maintenance. The system should provide instructors the ability to create simulation scenarios, view and capture students’ performance, assess the training needs of students and store and export training results for analysis and statistical reporting.

A. **PROJECT REQUIREMENTS**

Please briefly describe how your system meets these requirements.

1. **Administration, Security and Database Management**

   - Must provide a centralized database for student information, history, reporting, statistics and data analysis;
   - Security to control access at the system, institute and task levels;
   - Supports multiple departments or outside users;
   - Supports satellite or remote facilities; and
   - Must demonstrate compatibility with a close partnership, including system integration, with the advanced clinical simulation manikins utilized by the Longwood University Nursing Program.

2. **Customer Service and Support**

   - Single call support for needs related to the digital audio/visual system and management software;
• Calls are answered promptly and fully by a live employee of the offeror; and
• Remote diagnosis via the internet and telephone hotline support available.

3. **Expansion and Growth**

• System is scalable to meet the future needs;
• Software upgrades included with annual support agreement;
• Software upgrades must be automated; and
• Customization of the system, reports and hardware.

B. **SIMULATION LABORATORY REQUIREMENTS**

Following are the Phase I requirements for the simulation laboratories.

1. **Two (2) Bed Fundamentals Lab**
   
a. Provide and install one (1) ceiling-mounted pan-tilt-zoom (PTZ) camera and one (1) fixed-lens camera at each of the two (2) simulation beds (totaling four (4) PTZ cameras) to visually capture detailed simulation activity.

b. Provide and install one (1) ceiling-mounted microphone at each of the two (2) simulation beds. Elimination of ambient noises such as HVAC, high-frequency medical equipment, etc. is essential to ensure a high-fidelity audio recording.

c. Provide and install one (1) dual RJ-45 wall plate at each of the two (2) simulation beds to extend RS-232 control and VGA, USB, 3.5mm signals sent from the simulation control room.

**NOTE:** Longwood University will be responsible for providing all cable management infrastructures above the ceiling for cabling components.

2. **Two (2) Bed Health Assessment Lab**
   
a. Provide and install one (1) ceiling-mounted PTZ camera and one (1) fixed-lens camera at each of the two (2) simulation beds (totaling four (4) PTZ cameras) to visually capture detailed simulation activity.

b. Provide and install one (1) ceiling-mounted microphone at each of the two (2) simulation beds. The ability to eliminate ambient noises such as HVAC, high-frequency medical equipment, etc. is essential to ensure a high-fidelity audio recording.

c. Provide and install one (1) dual RJ-45 wall plate at each of the two (2) simulation beds, to extend RS-232 control and VGA, USB, 3.5mm signals sent from the simulation control room.
3. **Patient Simulation Lab**
   
a. Provide and install two (2) ceiling-mounted PTZ cameras in the simulation room.

b. Provide and install one (1) ceiling-mounted microphone in the simulation room. The ability to eliminate ambient noises such as HVAC, high-frequency medical equipment, etc. is essential to ensure a high-fidelity audio recording.

c. Provide and install one (1) dual RJ-45 wall plate at each of the two (2) simulation beds, to extend RS-232 control and VGA, USB, 3.5mm signals sent from the simulation control room.

4. **Simulation Control Room**

   **Note:** Longwood University will provide and install one (1) control station computer with monitor and assign a domain account and static IP address for Contractor to configure.

   a. Contractor shall configure the provided control station computer with control station software and configure the assigned domain account and a static IP address. The control station package should provide control capability for the entire audio video and software system, to control all associated cameras and manage the recording of all associated rooms. The Contractor will configure and test the system to ensure seamless communication between audio video components, software and system servers.

   b. Provide and install three (3) 21” LCD desktop display monitors and three (3) quad window video processors. One 21” LCD monitor will be located in front of each one-way at the control point. The control operator should be able to view all cameras feed from that corresponding room.

c. Provide and install one (1) camera control joystick at each sub-station.

d. Provide and install five (5) dual RG-45 wall plates for simulator vital sign and high-fidelity simulator control signal. Five (5) simulation beds should have (1) VGA, USB, 3.5mm extender and one (1) scan-converter configured to transfer and record all vital signs transmission generated by high-fidelity simulator.

e. Provide and install one (1) paging speaker in the patient simulation lab. Provide and install one (1) paging microphone with an A/B switcher at each control point. The paging microphone should route to the paging speaker in the associated simulation room and also the simulation laptop being used. The simulation controller should be able to manually page into the simulation room to give control instruction to individuals during the simulation.

5. **Audio Video/Server Room**

   a. Provide racks for all rack-mounted equipment proposed. Provide and configure one (1) SQL Server 2008 with fifty (50) Cal licenses, one (1) IIS Server and one (1) associated KVM switchers. Provide and configure two (2) digital audio video system digital video control system servers. Provide and configure a digital audio video system encoder software package on each of the servers. Provide
fifteen (15) digital audio video system video recorder ports and any other audio video components required.

b. Provide and configure a digital audio video system web viewer site license on the IIS server to provide live video viewing via a web interface.

c. Longwood University will provide all network connectivity infrastructure, power and HVAC infrastructure. The Contractor must provide Longwood University with power and heat load calculations for all equipment associated with this project.

d. Longwood University will be responsible for all conduit and structural blocking for this project.

e. Longwood University will provide VPN and/or remote connectivity capability for access from the Contractor’s customer service department. The University will also assign a domain account and static IP address for all servers, workstations and audio video equipment associated with the configuration.

C. DIGITAL AUDIO & VIDEO SYSTEM

This system must be web-based, compatible with and support advanced patient simulators, haptic devices and the Standardized Patient environment and provide the following minimum features:

1. **Recording Capability**
   - Single or multiple (2 or 3) camera recording;
   - Pan-Tilt-Zoom cameras;
   - Video quality 30 frames/second with 460x480 resolution in H.264 format; and
   - DVD quality resolution.

2. **Viewing Capability**
   - Secure review of student videos and time from any PC via a LAN or web connection;
   - Observation of multiple rooms simultaneously;
   - Switch between camera views as needed;
   - Simultaneous viewing of live streaming video and recorded video; and
   - Ability to split and merge video.

3. **Teaching, Testing and Remediation Capability**
   - Streaming live video and playback into classrooms for teaching and debriefing;
   - Ability to review video files remotely and securely;
• Bookmarking video files for easier debriefing;
• Pre-annotated bookmarks;
• Ability to search by bookmarks;
• Ability to make bookmarks either “public” or “private”;
• Secure controlled remote viewing of simulated experiences;
• Ability to create high resolution “master demonstration” videos; and
• Integrated audience response system.

4. **Automated Tasks**

• Automatic start/stop/pause recording in each room;
• Automated indexing of videos for easy storage, retrieval and debriefing;
• Automated and synched paging/announcements;
• Touch screen and joystick capabilities for camera switching and pan-tilt-zoom control;
• All digital audio/visual integration controlled from a single station; and
• Camera pre-sets on control station interface.

D. **SIMULATION CENTER MANAGEMENT SYSTEM**

• Display online calendar with monthly, weekly and daily views as well as recurring scheduling;
• Online calendar views also must include sorting by scenario, faculty, room and equipment;
• Ability to request simulation sessions online;
• Advanced inventory management including utilization reports;
• Advanced capital equipment management;
• Advanced simulation scenario management with spell-check and rich edit;
• Integration with an electronic medical records interface; and
• Automated e-mail capability.

E. **ADVANCED PATIENT SIMULATOR MANAGEMENT SYSTEM**

This system must record all the simulator data and images and provide the clinical skills training and evaluation tools needed to capitalize on this technology.
1. **Simulator Connectivity and Recording**
   - Integrates with Longwood University’s advanced patient simulators;
   - Records what the learner views in the simulation as well as actions initiated;
   - Tracks live data feed of physiologic response to the learner’s actions; and
   - Integrates with Digital Audio Video System.

2. **Questionnaires, Scoring and Performance Reports**
   - Ability to create anonymous and delayed post-simulation questions;
   - Electronic scoring to provide immediate results;
   - Ability to create both individual and team checklists;
   - Standardizes scoring when multiple raters score the simulation;
   - Gives mean, standard deviation, maximum and minimum scores along with case statistics;
   - Standard reports, including:
     - Individual Student Performance
     - Team Performance
     - Detailed Student Scores by Question, Category, Case and Session
     - Simulation Statistics and Detail
     - Observer Response Comparison
     - Post-Simulation Scores
     - Item Analysis
     - Equipment and Inventory Utilization Reports
     - Ability to export data via SQL database to other statistical packages for research and analysis
   - Ability to export data to other statistical packages for research and analysis.

F. **TRAINING SERVICES**
   - Offeror must provide center faculty and staff with the training needed to operate, manage, maintain and troubleshoot new equipment and software as described under this proposal. Offeror must describe classes, training process and locations in detail.
• All costs associated with training services should include expenses for training sessions. Offeror must list the fees for additional training for new hires or refresher courses for users (may be offered as webinars).

G. SERVICE, SUPPORT AND MAINTENANCE

Offeror must provide documentation on the following:

1. **Technical Support**
   Discuss ability to provide technical support available via telephone, email and internet services. Include a complete description of the technical support processes and response times.

2. **Service Level Agreements**
   Offeror’s service level agreement policies, specifically addressing guarantees of availability, call-back times and mean time to repair/replace. Include policies and procedures regarding reimbursement or penalties paid to the customer when service levels are not met.

3. **Single Point of Contact**
   The Offeror must provide a single point of contact for the installed system.

4. **Software User Group**
   Please describe any active user group which meets on a regular basis either regionally or nationally.

IV. PROPOSAL PREPARATION AND SUBMISSION INSTRUCTIONS:

A. GENERAL INSTRUCTIONS:

1. **RFP Response**: In order to be considered for selection, offerors must submit a complete response to this RFP. One (1) original and (5) copies of each proposal must be submitted to the issuing agency. No other distribution of the proposal shall be made by the offeror.

2. **Proposal Preparation**:
   a. Proposals shall be signed by an authorized representative of the offeror. All information requested should be submitted. Failure to submit all information requested may result in the purchasing agency requiring prompt submission of missing information and/or giving a lowered evaluation of the proposal. Proposals which are substantially incomplete or lack key information may be rejected by the purchasing agency. Mandatory requirements are those required by law or regulation or are such that they cannot be waived and are not subject to negotiation.
   
   b. Proposals should be prepared simply and economically, providing a straightforward, concise description of capabilities to satisfy the requirements of the RFP. Emphasis should be placed on completeness and clarity of content.
c. Proposals should be organized in the order in which the requirements are presented in the RFP. All pages of the proposal should be numbered. Each paragraph in the proposal should reference the paragraph number of the corresponding section of the RFP. It is also helpful to cite the paragraph number, subletter, and repeat the text of the requirement as it appears in the RFP. If a response covers more than one page, the paragraph number and subletter should be repeated at the top of the next page. The proposal should contain a table of contents which cross-references the RFP requirements. Information which the offeror desires to present that does not fall within any of the requirements of the RFP should be inserted at an appropriate place or be attached at the end of the proposal and designated as additional material. Proposals that are not organized in this manner risk elimination from consideration if the evaluators are unable to find where the RFP requirements are specifically addressed.

d. As used in this RFP, the terms “must”, “shall”, “should” and “may” identify the criticality of requirements. “Must” and “shall” identify requirements whose absence will have a major negative impact on the suitability of the proposed solution. Items labeled as “should” or “may” are highly desirable, although their absence will not have a large impact and would be useful, but are not necessary. Depending on the overall response to the RFP, some individual “must” and “shall” items may not be fully satisfied, but it is the intent to satisfy most, if not all, “must” and “shall” requirements. The inability of an Offeror to satisfy a “must” or “shall” requirement does not automatically remove that Offeror from consideration; however, it may seriously affect the overall rating of the Offerors’ proposal.

e. Each copy of the proposal should be bound or contained in a single volume where practical. All documentation submitted with the proposal should be contained in that single volume.

f. Ownership of all data, materials, and documentation originated and prepared for the State pursuant to the RFP shall belong exclusively to the State and be subject to public inspection in accordance with the Virginia Freedom of Information Act. Trade secrets or proprietary information submitted by an offeror shall not be subject to public disclosure under the Virginia Freedom of Information Act; however, the offeror must invoke the protections of § 2.2-4342F of the Code of Virginia, in writing, either before or at the time the data or other material is submitted. The written notice must specifically identify the data or materials to be protected and state the reasons why protection is necessary. The proprietary or trade secret material submitted must be identified by some distinct method such as highlighting or underlining and must indicate only the specific words, figures, or paragraphs that constitute trade secret or proprietary information. The classification of an entire proposal document, line item prices, and/or total proposal prices as proprietary or trade secrets is not acceptable and will result in rejection of the proposal.

3. **Oral Presentation**: Offerors who submit a proposal in response to this RFP may be required to give an oral presentation of their proposal to the agency. This provides an opportunity for the offeror to clarify or elaborate on the proposal. This is a fact finding and explanation session only and does not include negotiation. The issuing agency will
schedule the time and location of these presentations. Oral presentations are an option of the purchasing agency and may or may not be conducted.

B. **SPECIFIC PROPOSAL INSTRUCTIONS**: Proposals should be as thorough and detailed as possible so that Longwood University may properly evaluate your capabilities to provide the required goods/services. Offerors are required to submit the following items as a complete proposal:

1. Return the RFP cover sheet and all addenda acknowledgments, if any, signed and filled out as required.

2. Offeror Data Sheet, included as an attachment to the RFP, and other specific items or data requested in the RFP.

3. A written narrative statement to include:
   a. Experience in providing the goods/services described herein.
   b. Names, qualifications and experience of personnel to be assigned to the project.
   c. Resumes of staff to be assigned to the project.

4. Specific plans for providing the proposed goods/services including:
   a. List of proposed equipment/goods/etc. including operating parameters, illustrations, etc.
   b. What, when and how the service will be performed.
   c. Time frame for completion (if not otherwise specified by the agency in the statement of needs).

5. Proposed Price. Indicate in the pricing schedule, Section XI of the RFP, if provided.

6. Small Business Subcontracting Plan – Summarize the planned utilization of DMBE-certified small businesses which include businesses owned by women and minorities, when they have received DMBE small business certification, under the contract to be awarded as a result of this solicitation. This is a requirement for all prime contracts in excess of $100,000 unless the solicitation has been set-aside for small businesses or no subcontracting opportunities exist.

V. **EVALUATION AND AWARD CRITERIA**:

A. **EVALUATION CRITERIA**: Proposals shall be evaluated by Longwood University using the following criteria:

### AWARD OF CONTRACT

Selection shall be made of two or more offerors deemed to be fully qualified and best suited among those submitting proposals on the basis of the evaluation factors included in the Request for Proposals, including price, if so stated in the Request for Proposals. Negotiations shall be conducted with the offerors so selected. Price shall be considered, but need not be the sole determining factor. After negotiations have been conducted with each offeror so selected, the agency shall select the offeror which, in its opinion, has made the best proposal, and shall award the contract to that offeror. The Commonwealth may cancel this Request for Proposals or reject proposals at any time prior to an award, and is not required to furnish a statement of the reasons why a particular proposal was not deemed to be the most advantageous (Code of Virginia, § 2.2-4359D). Should the Commonwealth determine in writing and in its sole discretion that only one offeror is fully qualified, or that one offeror is clearly more highly qualified than the others under consideration, a contract may be negotiated and awarded to that offeror. The award document will be a contract incorporating by reference all the requirements, terms and conditions of the solicitation and the contractor’s proposal as negotiated.

### VI. REPORTING AND DELIVERY INSTRUCTIONS

#### A.

The contractor shall provide a weekly progress report to the Chair of the Nursing Department outlining the following:

1. The specific accomplishments achieved during the reporting period.
2. The specific tasks completed pursuant to the provisions of the contract and the completion dates of such tasks.
3. The projected completion dates for the remaining specific tasks required by the contract.

#### B.

Within thirty (30) calendar days after the award date of the contract, the contractor shall furnish a preliminary outline of the organizational structure of the final report to the Chair of the Nursing Department.

1. The preliminary outline shall delineate the main topics and subtopics that will later be described in detail in the final report.
2. Beneath each topic and subtopic, the contractor shall furnish a brief narrative description of the subject matter encompassed by the topic or subtopic.

3. The agency shall have the right to edit, modify and/or rearrange the organizational structure, topics, and subtopics as it deems necessary to insure the inclusion of all work required by the contract.

C. At least two (2) weeks prior to the submission of the final report, the contractor shall present a preliminary draft of the final report to the Chair of the Nursing Department. The agency shall have the right to modify and/or to require additional elaboration as it deems necessary to insure a comprehensive and thorough written study of all work required by the contract.

D. On or before the date specified in the contract, a final report shall be delivered to the Chair of the Nursing Department for its approval. The contractor shall furnish three (3) copies of the final report.

E. The contractor may be required to make an oral presentation of the final report to persons or organizations as deemed necessary by the agency.

VII. OPTIONAL PRE-PROPOSAL CONFERENCE: An optional pre-proposal conference will be held on April 1, 2010 at 10:00 a.m. in Bristow Hall, Room 211. The purpose of this conference is to allow potential offerors an opportunity to present questions and obtain clarification relative to any facet of this solicitation.

While attendance at this conference will not be a prerequisite to submitting a proposal, offerors who intend to submit a proposal are encouraged to attend. Bring a copy of the solicitation with you. Any changes resulting from this conference will be issued in a written addendum to the solicitation.
VIII. GENERAL TERMS AND CONDITIONS

A. **VENDORS MANUAL:** This solicitation is subject to the provisions of the Commonwealth of Virginia *Vendors Manual* and any changes or revisions thereto, which are hereby incorporated into this contract in their entirety. The procedure for filing contractual claims is in section 7.19 of the *Vendors Manual*. A copy of the manual is normally available for review at the purchasing office and is accessible on the Internet at under “Manuals.”

B. **APPLICABLE LAWS AND COURTS:** This solicitation and any resulting contract shall be governed in all respects by the laws of the Commonwealth of Virginia and any litigation with respect thereto shall be brought in the courts of the Commonwealth. The agency and the contractor are encouraged to resolve any issues in controversy arising from the award of the contract or any contractual dispute using Alternative Dispute Resolution (ADR) procedures (*Code of Virginia*, § 2.2-4366). ADR procedures are described in Chapter 9 of the *Vendors Manual*. The contractor shall comply with all applicable federal, state and local laws, rules and regulations.

C. **ANTI-DISCRIMINATION:** By submitting their proposals, offerors certify to the Commonwealth that they will conform to the provisions of the Federal Civil Rights Act of 1964, as amended, as well as the Virginia Fair Employment Contracting Act of 1975, as amended, where applicable, the Virginians With Disabilities Act, the Americans With Disabilities Act and § 2.2-4311 of the *Virginia Public Procurement Act* (VPPA). If the award is made to a faith-based organization, the organization shall not discriminate against any recipient of goods, services, or disbursements made pursuant to the contract on the basis of the recipient’s religion, religious belief, refusal to participate in a religious practice, or on the basis of race, age, color, gender or national origin and shall be subject to the same rules as other organizations that contract with public bodies to account for the use of the funds provided; however, if the faith-based organization segregates public funds into separate accounts, only the accounts and programs funded with public funds shall be subject to audit by the public body. (*Code of Virginia*, § 2.2-4343.1E).

In every contract over $10,000 the provisions in 1. and 2. below apply:

1. **During the performance of this contract, the contractor agrees as follows:**
   
   a. The contractor will not discriminate against any employee or applicant for employment because of race, religion, color, sex, national origin, age, disability, or any other basis prohibited by state law relating to discrimination in employment, except where there is a bona fide occupational qualification reasonably necessary to the normal operation of the contractor. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this nondiscrimination clause.

   b. The contractor, in all solicitations or advertisements for employees placed by or on behalf of the contractor, will state that such contractor is an equal opportunity employer.

   c. Notices, advertisements and solicitations placed in accordance with federal law, rule or regulation shall be deemed sufficient for the purpose of meeting these requirements.

2. **The contractor will include the provisions of 1. above in every subcontract or purchase order over $10,000, so that the provisions will be binding upon each subcontractor or vendor.**
D. **ETHICS IN PUBLIC CONTRACTING:** By submitting their proposals, offerors certify that their proposals are made without collusion or fraud and that they have not offered or received any kickbacks or inducements from any other offeror, supplier, manufacturer or subcontractor in connection with their proposal, and that they have not conferred on any public employee having official responsibility for this procurement transaction any payment, loan, subscription, advance, deposit of money, services or anything of more than nominal value, present or promised, unless consideration of substantially equal or greater value was exchanged.

E. **IMMIGRATION REFORM AND CONTROL ACT OF 1986:** By entering into a written contract with the Commonwealth of Virginia, the Contractor certifies that the Contractor does not, and shall not during the performance of the contract for goods and services in the Commonwealth, knowingly employ an unauthorized alien as defined in the federal Immigration Reform and Control Act of 1986.

F. **DEBARMENT STATUS:** By submitting their proposals, offerors certify that they are not currently debarred by the Commonwealth of Virginia from submitting bids or proposals on contracts for the type of goods and/or services covered by this solicitation, nor are they an agent of any person or entity that is currently so debarred.

G. **ANTITRUST:** By entering into a contract, the contractor conveys, sells, assigns, and transfers to the Commonwealth of Virginia all rights, title and interest in and to all causes of action it may now have or hereafter acquire under the antitrust laws of the United States and the Commonwealth of Virginia, relating to the particular goods or services purchased or acquired by the Commonwealth of Virginia under said contract.

H. **MANDATORY USE OF STATE FORM AND TERMS AND CONDITIONS FOR IFBs AND RFPs:** Failure to submit a proposal on the official state form provided for that purpose may be a cause for rejection of the proposal. Modification of or additions to the General Terms and Conditions of the solicitation may be cause for rejection of the proposal; however, the Commonwealth reserves the right to decide, on a case by case basis, in its sole discretion, whether to reject such a proposal.

I. **CLARIFICATION OF TERMS:** If any prospective offeror has questions about the specifications or other solicitation documents, the prospective offeror should contact the buyer whose name appears on the face of the solicitation no later than five working days before the due date. Any revisions to the solicitation will be made only by addendum issued by the buyer.

J. **PAYMENT:**

1. **To Prime Contractor:**
   
a. Invoices for items ordered, delivered and accepted shall be submitted by the contractor directly to the payment address shown on the purchase order/contract. All invoices shall show the state contract number and/or purchase order number; social security number (for individual contractors) or the federal employer identification number (for proprietorships, partnerships, and corporations).

   b. Any payment terms requiring payment in less than 30 days will be regarded as requiring payment 30 days after invoice or delivery, whichever occurs last. This shall not affect offers of discounts for payment in less than 30 days, however.
c. All goods or services provided under this contract or purchase order, that are to be paid for with public funds, shall be billed by the contractor at the contract price, regardless of which public agency is being billed.

d. The following shall be deemed to be the date of payment: the date of postmark in all cases where payment is made by mail, or the date of offset when offset proceedings have been instituted as authorized under the Virginia Debt Collection Act.

e. **Unreasonable Charges.** Under certain emergency procurements and for most time and material purchases, final job costs cannot be accurately determined at the time orders are placed. In such cases, contractors should be put on notice that final payment in full is contingent on a determination of reasonableness with respect to all invoiced charges. Charges which appear to be unreasonable will be researched and challenged, and that portion of the invoice held in abeyance until a settlement can be reached. Upon determining that invoiced charges are not reasonable, the Commonwealth shall promptly notify the contractor, in writing, as to those charges which it considers unreasonable and the basis for the determination. A contractor may not institute legal action unless a settlement cannot be reached within thirty (30) days of notification. The provisions of this section do not relieve an agency of its prompt payment obligations with respect to those charges which are not in dispute (Code of Virginia, § 2.2-4363).

2. **To Subcontractors:**

a. A contractor awarded a contract under this solicitation is hereby obligated:

   (1) To pay the subcontractor(s) within seven (7) days of the contractor’s receipt of payment from the Commonwealth for the proportionate share of the payment received for work performed by the subcontractor(s) under the contract; or

   (2) To notify the agency and the subcontractor(s), in writing, of the contractor’s intention to withhold payment and the reason.

b. The contractor is obligated to pay the subcontractor(s) interest at the rate of one percent per month (unless otherwise provided under the terms of the contract) on all amounts owed by the contractor that remain unpaid seven (7) days following receipt of payment from the Commonwealth, except for amounts withheld as stated in (2) above. The date of mailing of any payment by U. S. Mail is deemed to be payment to the addressee. These provisions apply to each sub-tier contractor performing under the primary contract. A contractor’s obligation to pay an interest charge to a subcontractor may not be construed to be an obligation of the Commonwealth.

3. Each prime contractor who wins an award in which provision of a SWAM procurement plan is a condition to the award, shall deliver to the contracting agency or institution, on or before request for final payment, evidence and certification of compliance (subject only to insubstantial shortfalls and to shortfalls arising from subcontractor default) with the SWAM procurement plan. Final payment under the contract in question may be withheld until such certification is delivered and, if necessary, confirmed by the agency.
or institution, or other appropriate penalties may be assessed in lieu of withholding such payment.

4. The Commonwealth of Virginia encourages contractors and subcontractors to accept electronic and credit card payments.

K. **PRECEDENCE OF TERMS:** The following General Terms and Conditions *VENDORS MANUAL, APPLICABLE LAWS AND COURTS, ANTI-DISCRIMINATION, ETHICS IN PUBLIC CONTRACTING, IMMIGRATION REFORM AND CONTROL ACT OF 1986, DEBARMENT STATUS, ANITRUST, MANDATORY USE OF STATE FORM AND TERMS AND CONDITIONS, CLARIFICATION OF TERMS, PAYMENT* shall apply in all instances. In the event there is a conflict between any of the other General Terms and Conditions and any Special Terms and Conditions in this solicitation, the Special Terms and Conditions shall apply.

L. **QUALIFICATIONS OF OFFERORS:** The Commonwealth may make such reasonable investigations as deemed proper and necessary to determine the ability of the offeror to perform the services/furnish the goods and the offeror shall furnish to the Commonwealth all such information and data for this purpose as may be requested. The Commonwealth reserves the right to inspect offeror’s physical facilities prior to award to satisfy questions regarding the offeror’s capabilities. The Commonwealth further reserves the right to reject any proposal if the evidence submitted by, or investigations of, such offeror fails to satisfy the Commonwealth that such offeror is properly qualified to carry out the obligations of the contract and to provide the services and/or furnish the goods contemplated therein.

M. **TESTING AND INSPECTION:** The Commonwealth reserves the right to conduct any test/inspection it may deem advisable to assure goods and services conform to the specifications.

N. **ASSIGNMENT OF CONTRACT:** A contract shall not be assignable by the contractor in whole or in part without the written consent of the Commonwealth.

O. **CHANGES TO THE CONTRACT:** Changes can be made to the contract in any of the following ways:

1. The parties may agree in writing to modify the scope of the contract. An increase or decrease in the price of the contract resulting from such modification shall be agreed to by the parties as a part of their written agreement to modify the scope of the contract.

2. The Purchasing Agency may order changes within the general scope of the contract at any time by written notice to the contractor. Changes within the scope of the contract include, but are not limited to, things such as services to be performed, the method of packing or shipment, and the place of delivery or installation. The contractor shall comply with the notice upon receipt. The contractor shall be compensated for any additional costs incurred as the result of such order and shall give the Purchasing Agency a credit for any savings. Said compensation shall be determined by one of the following methods:
   a. By mutual agreement between the parties in writing; or
   b. By agreeing upon a unit price or using a unit price set forth in the contract, if the work to be done can be expressed in units, and the contractor accounts for the number of units of work performed, subject to the Purchasing Agency’s
right to audit the contractor’s records and/or to determine the correct number of units independently; or

c. By ordering the contractor to proceed with the work and keep a record of all costs incurred and savings realized. A markup for overhead and profit may be allowed if provided by the contract. The same markup shall be used for determining a decrease in price as the result of savings realized. The contractor shall present the Purchasing Agency with all vouchers and records of expenses incurred and savings realized. The Purchasing Agency shall have the right to audit the records of the contractor as it deems necessary to determine costs or savings. Any claim for an adjustment in price under this provision must be asserted by written notice to the Purchasing Agency within thirty (30) days from the date of receipt of the written order from the Purchasing Agency. If the parties fail to agree on an amount of adjustment, the question of an increase or decrease in the contract price or time for performance shall be resolved in accordance with the procedures for resolving disputes provided by the Disputes Clause of this contract or, if there is none, in accordance with the disputes provisions of the Commonwealth of Virginia Vendors Manual. Neither the existence of a claim nor a dispute resolution process, litigation or any other provision of this contract shall excuse the contractor from promptly complying with the changes ordered by the Purchasing Agency or with the performance of the contract generally.

P. **DEFAULT:** In case of failure to deliver goods or services in accordance with the contract terms and conditions, the Commonwealth, after due oral or written notice, may procure them from other sources and hold the contractor responsible for any resulting additional purchase and administrative costs. This remedy shall be in addition to any other remedies which the Commonwealth may have.

Q. **TAXES:** Sales to the Commonwealth of Virginia are normally exempt from State sales tax. State sales and use tax certificates of exemption, Form ST-12, will be issued upon request. Deliveries against this contract shall usually be free of Federal excise and transportation taxes. The Commonwealth’s excise tax exemption registration number is 54-73-0076K.

R. **USE OF BRAND NAMES:** Unless otherwise provided in this solicitation, the name of a certain brand, make or manufacturer does not restrict offerors to the specific brand, make or manufacturer named, but conveys the general style, type, character, and quality of the article desired. Any article which the public body, in its sole discretion, determines to be the equivalent of that specified, considering quality, workmanship, economy of operation, and suitability for the purpose intended, shall be accepted. The offeror is responsible to clearly and specifically identify the product being offered and to provide sufficient descriptive literature, catalog cuts and technical detail to enable the Commonwealth to determine if the product offered meets the requirements of the solicitation. This is required even if offering the exact brand, make or manufacturer specified. Normally in competitive sealed bidding only the information furnished with the bid will be considered in the evaluation. Failure to furnish adequate data for evaluation purposes may result in declaring a bid nonresponsive. Unless the offeror clearly indicates in its proposal that the product offered is an equivalent product, such proposal will be considered to offer the brand name product referenced in the solicitation.

S. **TRANSPORTATION AND PACKAGING:** By submitting their proposals, all offerors certify and warrant that the price offered for FOB destination includes only the actual freight rate costs at the lowest and best rate and is based upon the actual weight of the goods to be shipped. Except as otherwise specified herein, standard commercial packaging, packing and shipping containers
shall be used. All shipping containers shall be legibly marked or labeled on the outside with purchase order number, commodity description, and quantity.

T. **INSURANCE:** By signing and submitting a proposal under this solicitation, the offeror certifies that if awarded the contract, it will have the following insurance coverage at the time the contract is awarded. For construction contracts, if any subcontractors are involved, the subcontractor will have workers’ compensation insurance in accordance with §§ 2.2-4332 and 65.2-800 et seq. of the *Code of Virginia*. The offeror further certifies that the contractor and any subcontractors will maintain these insurance coverage during the entire term of the contract and that all insurance coverage will be provided by insurance companies authorized to sell insurance in Virginia by the Virginia State Corporation Commission.

**MINIMUM INSURANCE COVERAGE AND LIMITS REQUIRED FOR MOST CONTRACTS:**

1. **Workers’ Compensation** - Statutory requirements and benefits. Coverage is compulsory for employers of three or more employees, to include the employer. Contractors who fail to notify the Commonwealth of increases in the number of employees that change their workers’ compensation requirements under the *Code of Virginia* during the course of the contract shall be in noncompliance with the contract.

2. **Employer’s Liability - $100,000.**

3. **Commercial General Liability - $1,000,000 per occurrence.** Commercial General Liability is to include bodily injury and property damage, personal injury and advertising injury, products and completed operations coverage. The Commonwealth of Virginia must be named as an additional insured and so endorsed on the policy.

4. **Automobile Liability - $1,000,000 per occurrence.** (Only used if motor vehicle is to be used in the contract.)

**NOTE:** In addition, various Professional Liability/Errors and Omissions coverages are required when soliciting those services as follows:

U. **ANNOUNCEMENT OF AWARD:** Upon the award or the announcement of the decision to award a contract over $50,000, as a result of this solicitation, the purchasing agency will publicly post such notice on the DGS/DPS eVA web site [www.eVA.virginia.gov](http://www.eVA.virginia.gov) for a minimum of 10 days.

V. **DRUG-FREE WORKPLACE:** During the performance of this contract, the contractor agrees to (i) provide a drug-free workplace for the contractor’s employees; (ii) post in conspicuous places, available to employees and applicants for employment, a statement notifying employees that the unlawful manufacture, sale, distribution, dispensation, possession, or use of a controlled substance or marijuana is prohibited in the contractor’s workplace and specifying the actions that will be taken against employees for violations of such prohibition; (iii) state in all solicitations or advertisements for employees placed by or on behalf of the contractor that the contractor maintains a drug-free workplace; and (iv) include the provisions of the foregoing clauses in every subcontract or purchase order of over $10,000, so that the provisions will be binding upon each subcontractor or vendor.

For the purposes of this section, “drug-free workplace” means a site for the performance of work done in connection with a specific contract awarded to a contractor, the employees of whom are prohibited from engaging in the unlawful manufacture, sale, distribution, dispensation, possession or use of any controlled substance or marijuana during the performance of the contract.

W. **NONDISCRIMINATION OF CONTRACTORS:** An offeror or contractor shall not be discriminated against in the solicitation or award of this contract because of race, religion, color, sex, national origin, age, disability, faith-based organizational status, any other basis prohibited by state law relating to discrimination in employment or because the offeror employs ex-offenders unless the state agency, department or institution has made a written determination that employing ex-offenders on the specific contract is not in its best interest. If the award of this contract is made to a faith-based organization and an individual, who applies for or receives goods, services, or disbursements provided pursuant to this contract objects to the religious character of the faith-based organization from which the individual receives or would receive the goods, services, or disbursements, the public body shall offer the individual, within a reasonable period of time after the date of his objection, access to equivalent goods, services, or disbursements from an alternative provider.

X. **eVA Business-To-Government Vendor Registration:** The eVA Internet electronic procurement solution, website portal [www.eVA.virginia.gov](http://www.eVA.virginia.gov), streamlines and automates government purchasing activities in the Commonwealth. The eVA portal is the gateway for vendors to conduct business with state agencies and public bodies. All vendors desiring to provide goods and/or services to the Commonwealth shall participate in the eVA Internet e-procurement solution either through the eVA Basic Vendor Registration Service or eVA Premium Vendor Registration Service. All offerors must register in eVA; failure to register will result in the proposal being rejected.
a. eVA Basic Vendor Registration Service: $25 Annual Registration Fee plus the appropriate order Transaction Fee specified below. eVA Basic Vendor Registration Service includes electronic order receipt, vendor catalog posting, on-line registration, electronic bidding, and the ability to research historical procurement data available in the eVA purchase transaction data warehouse.

b. eVA Premium Vendor Registration Service: $25 Annual Registration Fee plus the appropriate order Transaction Fee specified below. eVA Premium Vendor Registration Service includes all benefits of the eVA Basic Vendor Registration Service plus automatic email or fax notification of solicitations and amendments.

c. For orders issued prior to August 16, 2006, the Vendor Transaction Fee is 1%, capped at a maximum of $500 per order.

d. For orders issued August 16, 2006 and after, the Vendor Transaction Fee is:
   
   (i) DMBE-certified Small Businesses: 1%, capped at $500 per order.
   (ii) Businesses that are not DMBE-certified Small Businesses: 1%, capped at $1,500 per order.

Y. **AVAILABILITY OF FUNDS:** It is understood and agreed between the parties herein that the agency shall be bound hereunder only to the extent of the funds available or which may hereafter become available for the purpose of this agreement.

Z. **SET-ASIDES:** This solicitation is set-aside for DMBE-certified small business participation only when designated “SET-ASIDE FOR SMALL BUSINESSES” in the solicitation. DMBE-certified small businesses are those businesses that hold current small business certification from the Virginia Department of Minority Business Enterprise. This shall not exclude DMBE-certified women-owned and minority-owned businesses when they have received the DMBE small business certification. For purposes of award, offerors shall be deemed small businesses if and only if they are certified as such by DMBE on the due date for receipt of proposals.

AA. **BID PRICE CURRENCY:** Unless stated otherwise in the solicitation, offerors shall state offer prices in US dollars.
IX. SPECIAL TERMS AND CONDITIONS

1. **ADVERTISING**: In the event a contract is awarded for supplies, equipment, or services resulting from this proposal, no indication of such sales or services to Longwood University will be used in product literature or advertising. The contractor shall not state in any of its advertising or product literature that Longwood University has purchased or uses any of its products or services, and the contractor shall not include Longwood University in any client list in advertising and promotional materials.

2. **AS BUILT DRAWINGS**: The contractor shall provide the Commonwealth a clean set of reproducible “as built” drawings and wiring diagrams, marked to record all changes made during installation or construction. The contractor shall also provide the Commonwealth with maintenance manuals, parts lists and a copy of all warranties for all equipment. All “as built” drawings and wiring diagrams, maintenance manuals, parts lists and warranties shall be delivered to the Commonwealth upon completion of the work and prior to final payment.

3. **AUDIT**: The contractor shall retain all books, records, and other documents relative to this contract for five (5) years after final payment, or until audited by the Commonwealth of Virginia, whichever is sooner. The agency, its authorized agents, and/or state auditors shall have full access to and the right to examine any of said materials during said period.

4. **AWARD OF CONTRACT**: Selection shall be made of two or more offerors deemed to be fully qualified and best suited among those submitting proposals on the basis of the evaluation factors included in the Request for Proposals, including price, if so stated in the Request for Proposals. Negotiations shall be conducted with the offerors so selected. Price shall be considered, but need not be the sole determining factor. After negotiations have been conducted with each offeror so selected, the agency shall select the offeror which, in its opinion, has made the best proposal, and shall award the contract to that offeror. The Commonwealth may cancel this Request for Proposals or reject proposals at any time prior to an award, and is not required to furnish a statement of the reasons why a particular proposal was not deemed to be the most advantageous (Code of Virginia, § 2.2-4359D). Should the Commonwealth determine in writing and in its sole discretion that only one offeror is fully qualified, or that one offeror is clearly more highly qualified than the others under consideration, a contract may be negotiated and awarded to that offeror. The award document will be a contract incorporating by reference all the requirements, terms and conditions of the solicitation and the contractor’s proposal as negotiated.

5. **BID ACCEPTANCE PERIOD**: Any proposal in response to this solicitation shall be valid for ninety (90) days. At the end of the ninety (90) days, the proposal may be withdrawn at the written request of the offeror. If the proposal is not withdrawn at that time it remains in effect until an award is made or the solicitation is canceled.

6. **CANCELLATION OF CONTRACT**: The purchasing agency reserves the right to cancel and terminate any resulting contract, in part or in whole, without penalty, upon 60 days written notice to the contractor. In the event the initial contract period is for more than 12 months, the resulting contract may be terminated by either party, without penalty, after the initial 12 months of the contract period upon 60 days written notice to the other party. Any contract cancellation notice shall not relieve the contractor of the obligation to deliver and/or perform on all outstanding orders issued prior to the effective date of cancellation.

7. **CONTRACTOR/SUBCONTRACTOR LICENSE REQUIREMENT**: By my signature on this solicitation, I certify that this firm/individual and subcontractor is properly licensed for providing the goods/services specified.
Contractor Name: ____________________________ Subcontractor Name: __________________

License # ____________________________ Type ____________________________

8. **CONTRACTOR’S TITLE TO MATERIALS:** No materials or supplies for the work shall be purchased by the contractor or by any subcontractor subject to any chattel mortgage or under a conditional sales or other agreement by which an interest is retained by the seller. The contractor warrants that he has clear title to all materials and supplies for which he invoices for payment.

9. **DELIVERY AND STORAGE:** It shall be the responsibility of the contractor to make all arrangements for delivery, unloading, receiving and storing materials in the building during installation. The owner will not assume any responsibility for receiving these shipments. Contractor shall check with the owner and make necessary arrangements for security and storage space in the building during installation.

10. **EXTRA CHARGES NOT ALLOWED:** The bid price shall be for complete installation ready for the Commonwealth’s use, and shall include all applicable freight and installation charges; extra charges will not be allowed.

11. **FINAL INSPECTION:** At the conclusion of the work, the contractor shall demonstrate to the authorized owners representative that the work is fully operational and in compliance with contract specifications and codes. Any deficiencies shall be promptly and permanently corrected by the contractor at the contractor’s sole expense prior to final acceptance of the work.

12. **IDENTIFICATION OF PROPOSAL ENVELOPE:** If a special envelope is not furnished, or if return in the special envelope is not possible, the signed proposal should be returned in a separate envelope or package, sealed and identified as follows:

<table>
<thead>
<tr>
<th>From:</th>
<th>Name of Offeror</th>
<th>Due Date</th>
<th>Time</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td>Street or Box Number</td>
<td>RFP No.</td>
<td>City, State, Zip Code</td>
</tr>
</tbody>
</table>

Name of Contract/Purchase Officer or Buyer ____________________________

The envelope should be addressed as directed on Page 1 of the solicitation.

If a proposal not contained in the special envelope is mailed, the offeror takes the risk that the envelope, even if marked as described above, may be inadvertently opened and the information compromised which may cause the bid or proposal to be disqualified. Proposals may be hand delivered to the designated location in the office issuing the solicitation. No other correspondence or other bids/proposals should be placed in the envelope.

13. **INSPECTION OF JOB SITE:** My signature on this solicitation constitutes certification that I have inspected the job site and am aware of the conditions under which the work must be accomplished. Claims, as a result of failure to inspect the job site, will not be considered by the Commonwealth.
14. **INSTALLATION:** All items must be assembled and set in place, ready for use. All crating and other debris must be removed from the premises.

15. **MAINTENANCE MANUALS:** The contractor shall provide with each piece of equipment an operations and maintenance manual with wiring diagrams, parts list, and a copy of all warranties.

16. **SMALL BUSINESS SUBCONTRACTING AND EVIDENCE OF COMPLIANCE:**

   A. It is the goal of the Commonwealth that 40% of its purchases be made from small businesses. This includes discretionary spending in prime contracts and subcontracts. All potential offerors are required to submit a Small Business Subcontracting Plan. Unless the offeror is registered as a DMBE-certified small business and where it is practicable for any portion of the awarded contract to be subcontracted to other suppliers, the contractor is encouraged to offer such subcontracting opportunities to DMBE-certified small businesses. This shall not exclude DMBE-certified women-owned and minority-owned businesses when they have received DMBE small business certification. No offeror or subcontractor shall be considered a Small Business, a Women-Owned Business or a Minority-Owned Business unless certified as such by the Department of Minority Business Enterprise (DMBE) by the due date for receipt of bids or proposals. If small business subcontractors are used, the prime contractor agrees to report the use of small business subcontractors by providing the purchasing office at a minimum the following information: name of small business with the DMBE certification number, phone number, total dollar amount subcontracted, category type (small, women-owned, or minority-owned), and type of product/service provided.

   B. Each prime contractor who wins an award in which provision of a small business subcontracting plan is a condition of the award, shall deliver to the contracting agency or institution on a quarterly basis, evidence of compliance (subject only to insubstantial shortfalls and to shortfalls arising from subcontractor default) with the small business subcontracting plan. When such business has been subcontracted to these firms and upon completion of the contract, the contractor agrees to furnish the purchasing office at a minimum the following information: name of firm with the DMBE certification number, phone number, total dollar amount subcontracted, category type (small, women-owned, or minority-owned), and type of product or service provided. Payment(s) may be withheld until compliance with the plan is received and confirmed by the agency or institution. The agency or institution reserves the right to pursue other appropriate remedies to include, but not be limited to, termination for default.

   C. Each prime contractor who wins an award valued over $200,000 shall deliver to the contracting agency or institution on a quarterly basis, information on use of subcontractors that are not DMBE-certified small businesses. When such business has been subcontracted to these firms and upon completion of the contract, the contractor agrees to furnish the purchasing office at a minimum the following information: name of firm, phone number, total dollar amount subcontracted, and type of product or service provided.

17. **PRE-PROPOSAL CONFERENCE - OPTIONAL:** An optional pre-proposal conference will be held at 10:00 a.m. on April 1, 2010 at Bristow Hall, Room 211. The purpose of this conference is to allow potential offerors an opportunity to present questions and obtain clarification relative to any facet of this solicitation.

While attendance at this conference will not be a prerequisite to submitting a proposal, offerors who intend to submit a proposal are encouraged to attend. Bring a copy of the solicitation with
you. Any changes resulting from this conference will be issued in a written addendum to the solicitation.

18. **PRIME CONTRACTOR RESPONSIBILITIES:** The contractor shall be responsible for completely supervising and directing the work under this contract and all subcontractors that he may utilize, using his best skill and attention. Subcontractors who perform work under this contract shall be responsible to the prime contractor. The contractor agrees that he is as fully responsible for the acts and omissions of his subcontractors and of persons employed by them as he is for the acts and omissions of his own employees.

19. **PRODUCT INFORMATION:** The offeror shall clearly and specifically identify the product being offered and enclose complete and detailed descriptive literature, catalog cuts and specifications with the proposal to enable the Commonwealth to determine if the product offered meets the requirements of the solicitation. Failure to do so may cause the proposal to be considered nonresponsive.

20. **REFERENCES:** Offerors shall provide a list of at least 4 references where similar goods and/or services have been provided. Each reference shall include the name of the organization, the complete mailing address, the name of the contact person and telephone number. An OFFEROR DATA SHEET is provided as an attachment to this solicitation to meet this requirement.

21. **RENEWAL OF CONTRACT:** This contract may be renewed by the Commonwealth upon written agreement of both parties for four (4) successive one (1) year periods, under the terms of the current contract, and at a reasonable time (approximately 90 days) prior to the expiration.

22. **SUBCONTRACTS:** No portion of the work shall be subcontracted without prior written consent of the purchasing agency. In the event that the contractor desires to subcontract some part of the work specified herein, the contractor shall furnish the purchasing agency the names, qualifications and experience of their proposed subcontractors. The contractor shall, however, remain fully liable and responsible for the work to be done by its subcontractor(s) and shall assure compliance with all requirements of the contract.

23. **WARRANTY (COMMERCIAL):** The contractor agrees that the goods or services furnished under any award resulting from this solicitation shall be covered by the most favorable commercial warranties the contractor gives any customer for such goods or services and that the rights and remedies provided therein are in addition to and do not limit those available to the Commonwealth by any other clause of this solicitation. A copy of this warranty should be furnished with the proposal.

24. **WORK SITE DAMAGES:** Any damage to existing utilities, equipment or finished surfaces resulting from the performance of this contract shall be repaired to the Commonwealth’s satisfaction at the contractor’s expense.

25. **eVA Business-To-Government Contracts and Orders:** It is anticipated that the contract will result in multiple purchase orders (i.e., one for each delivery requirement) with the eVA transaction fee specified below assessed for each order.

   a. For orders issued prior to August 16, 2006, the Vendor Transaction Fee is 1%, capped at a maximum of $500 per order.

   b. For orders issued August 16, 2006 and after, the Vendor Transaction Fee is:

      (i) DMBE-certified Small Businesses: 1%, Capped at $500 per order.
Businesses that are not DMBE-certified Small Businesses: 1%, Capped at $1,500 per order.

The eVA transaction fee will be assessed approximately 30 days after each purchase order is issued. Any adjustments (increases/decreases) will be handled through eVA change orders.

Internet electronic procurement solution, website portal www.eVA.virginia.gov, streamlines and automates government purchasing activities in the Commonwealth. The portal is the gateway for vendors to conduct business with state agencies and public bodies.

Vendors desiring to provide goods and/or services to the Commonwealth shall participate in the eVA Internet e-procurement solution and agree to comply with the following:

If this solicitation is for a term contract, failure to provide an electronic catalog (price list) or index page catalog for items awarded will be just cause for the Commonwealth to reject your bid/offer or terminate this contract for default. The format of this electronic catalog shall conform to the eVA Catalog Interchange Format (CIF) Specification that can be accessed and downloaded from www.eVA.virginia.gov. Contractors should email Catalog or Index Page information to eVA-catalog-manager@dgs.virginia.gov.

26. **CERTIFICATION TESTING PERIOD - HARDWARE**: Equipment ordered herein shall be subject to inspection and a 30-day testing period by the procuring agency. Contractor equipment which is found to not meet the specifications or other requirements of the purchase agreement may be rejected and returned to the vendor at no cost (including return transportation) by the procuring agency. Unless otherwise notified or mutually agreed, acceptance shall become effective at the end of the 30-day testing period. Such acceptance shall not be conclusive of complete conformance in all respects to the contract specifications and other requirements, or the nonexistence of potential latent defects.

27. **CONFIDENTIALITY (Commonwealth)**: The Commonwealth agrees that neither it nor its employees, representatives, or agents shall knowingly divulge any proprietary information with respect to the operation of the software, the technology embodied therein, or any other trade secret or proprietary information related thereto, except as specifically authorized by the contractor in writing or as required by the Freedom of Information Act or similar law. It shall be the contractor’s responsibility to fully comply with § 2.2-4342F of the Code of Virginia. All trade secrets or proprietary information must be identified in writing or other tangible form and conspicuously labeled as “proprietary” either prior to or at the time of submission to the Commonwealth.

**CONFIDENTIALITY (Contractor)**: The contractor assures that information and data obtained as to personal facts and circumstances related to patients or clients will be collected and held confidential, during and following the term of this agreement, and will not be divulged without the individual’s and the agency’s written consent. Any information to be disclosed, except to the agency, must be in summary, statistical, or other form which does not identify particular individuals. Contractors and their employees working on this project will be required to sign the Confidentiality statement in this solicitation.

28. **DEFINITION – EQUIPMENT**: As used herein, the terms equipment, product, or system shall include hardware and software (when applicable) and any materials or supporting documentation. Such documentation may include but is not limited to: users’ guides, operations manuals with part lists, copies of all applicable warranties, and any other pertinent information necessary for the proper operation and maintenance of the equipment being acquired.
**DEFINITION - SOFTWARE:** As used herein, the terms software, product, or software products shall include all related materials and documentation whether in machine readable or printed form.

29. **EQUIPMENT ENVIRONMENT:** Environmental specifications for any equipment to be delivered under the resulting contract shall be furnished in writing along with the vendor’s proposal, should any such requirements be applicable. These specifications must be in sufficient detail to permit all installed equipment to function efficiently from an environmental perspective. Unless otherwise stated in the solicitation, it will be the procuring agency’s responsibility to prepare the site at its own expense to meet the environmental specifications provided.

30. **EXCESSIVE DOWNTIME:** Equipment or software furnished under the contract shall be capable of continuous operation. Should the equipment or software become inoperable for a period of more than 24 hours, the contractor agrees to pro-rate maintenance charges to account for each full day of inoperability. The period of inoperability shall commence upon initial notification. In the event the equipment or software remains inoperable for more than 2 consecutive calendar days, the contractor shall promptly replace the equipment or software at no charge upon request of the procuring agency. Such replacement shall be with new, unused product(s) of comparable quality, and must be installed and operational within 2 days following the request for replacement.

31. **LATEST SOFTWARE VERSION:** Any software product(s) provided under the contract shall be the latest version available to the general public as of the due date of this solicitation.

32. **LIMITATION OF USE:** The Commonwealth’s right to use computer software developed entirely at private expense may be limited by the contractor as stipulated in this contract. Notwithstanding any provision to the contrary however, the Commonwealth shall have at a minimum: unlimited use of the software on the equipment for which it is purchased; use of the software on a secondary system for backup purposes should the primary system become unavailable, malfunction, or is otherwise rendered inoperable; use of the software at another Commonwealth site should the system be entirely transferred to that location; the right to make a backup copy for safekeeping; the right to modify or combine the software with other programs or materials at the Commonwealth’s risk; and the right to reproduce any and all documentation provided such reproduction is for the sole use of the Commonwealth. These rights are perpetual and irrevocable; in the event of any actual or alleged breach by the Commonwealth, the contractor’s sole remedy shall be to pursue a monetary claim in accordance with § 2.2-4363 of the Code of Virginia.

33. **MAINTENANCE:** Upon expiration of the specified warranty period and at the Commonwealth’s option, the contractor shall provide up to four (4) additional one (1) year periods of on-site maintenance (including labor, parts, and travel) at the prices set forth in the pricing schedule. Maintenance shall not include external electrical work, providing supplies, and adding or removing accessories not provided for in the contract. Maintenance shall also not include repairs of damage resulting from: acts of God, transportation between state locations, negligence by state personnel, or other causes not related to ordinary use in the production environment in which installed. Each successive year of maintenance may be ordered by the Commonwealth in writing at least 90 days prior to expiration of the existing maintenance period.

34. **NEW EQUIPMENT:** Unless otherwise expressly stated in this solicitation, any equipment furnished under the contract shall be new, unused equipment.

35. **OPERATIONAL COMPONENTS:** Unless otherwise requested in the solicitation, stated equipment prices shall include all cables, connectors, interfaces, documentation for all components, and any
other items necessary for full systems operation at the user site. This does not include consumable supplies such as paper, tapes, disks, etc., unless such supplies are expressly identified in the pricing schedule.

36. **PRODUCT SUBSTITUTION:** During the term of any contract resulting from this solicitation, the vendor is not authorized to substitute any item for that product and/or software identified in the solicitation without the prior written consent of the contracting officer whose name appears on the front of this solicitation, or their designee.

37. **QUALIFIED REPAIR PERSONNEL:** All warranty or maintenance services to be performed on the items specified in this solicitation as well as any associated hardware or software shall be performed by qualified technicians properly authorized by the manufacturer to perform such services. The Commonwealth reserves the right to require proof of certification prior to award and at any time during the term of the contract.

38. **RELOCATION OF EQUIPMENT:** Should it become necessary to move equipment covered by the contract to another location, the Commonwealth reserves the right to do so at its own expense. If contractor supervision is required, the Commonwealth will provide prior written notice of the move at least thirty (30) days in advance, in which case the contractor shall provide the required services and be reasonably compensated by the Commonwealth. Both the compensation to be paid and any adjustment to the maintenance terms resulting from the move shall be as mutually agreed between the parties. Regular maintenance charges shall be suspended on the day the equipment is dismantled and resume once the equipment is again certified ready for operational use.

39. **REPAIR PARTS:** In the event that the performance of maintenance services under the contract results in a need to replace defective parts, such items may only be replaced by new parts. In no instance shall the contractor be permitted to replace defective items with refurbished, remanufactured, or surplus items without prior written authorization of the Commonwealth.

40. **SERVICE PERIOD (EXTENDED):** Due to the criticality of the applications for which the equipment and/or software is purchased, the contractor shall provide 24 hours a day, 7 days a week, maintenance support, including state holidays. On-site response time shall be within 24 hours following initial notification. All necessary repairs or corrections shall be completed within 48 hours of the initial notification.

41. **SERVICE PERIOD (ROUTINE):** Contractor shall provide 24 hour toll-free phone support with a 1 hour return call response time. On-site maintenance services shall carry a 24 hour response time following initial notification and be available during the normal working hours of 8 A.M. to 5 P.M. Monday through Friday, excluding state holidays. All necessary repairs or corrections shall be completed within 48 hours of the initial notification.

42. **SERVICE REPORTS:** Upon completion of any maintenance call, the contractor shall provide the agency with a signed service report that includes, at a minimum: a general statement as to the problem, action taken, any materials or parts furnished or used, and the number of hours required to complete the repairs.

43. **SOFTWARE UPGRADES:** The Commonwealth shall be entitled to any and all upgraded versions of the software covered in the contract that becomes available from the contractor. The maximum charge for upgrade shall not exceed the total difference between the cost of the Commonwealth’s current version and the price the contractor sells or licenses the upgraded software under similar circumstances.
44. **SOFTWARE DISPOSITION:** Unless otherwise instructed by the contractor, the Commonwealth shall render unusable all copies of software acquired under the contract within thirty (30) days of termination of its license, except that the Commonwealth does reserve the right to retain one copy of the software for archival purposes when appropriate.

45. **SOURCE CODE:** In the event the contractor ceases to maintain experienced staff and the resources needed to provide required software maintenance, the Commonwealth shall be entitled to have, use, and duplicate for its own use, a copy of the source code and associated documentation for the software products covered by the contract. Until such time as a complete copy of such material is provided, the Commonwealth shall have exclusive right to possess all physical embodiments of such contractor owned materials. The rights of the Commonwealth in this respect shall survive for a period of twenty (20) years after the expiration or termination of the contract. All lease and royalty fees necessary to support this right are included in the initial license fee as contained in the pricing schedule.

46. **TERM OF SOFTWARE LICENSE:** Unless otherwise stated in the solicitation, the software license(s) identified in the pricing schedule shall be purchased on a perpetual basis and shall continue in perpetuity. However the Commonwealth reserves the right to terminate the license at any time, although the mere expiration or termination of this contract shall not be construed as an intent to terminate the license. All acquired license(s) shall be for use at any computing facilities, on any equipment, by any number of users, and for any purposes for which it is procured. The Commonwealth further reserves the right to transfer all rights under the license to another state agency to which some or all of its functions are transferred.

47. **THIRD PARTY ACQUISITION OF SOFTWARE:** The contractor shall notify the procuring agency in writing should the intellectual property, associated business, or all of its assets be acquired by a third party. The contractor further agrees that the contract’s terms and conditions, including any and all license rights and related services, shall not be affected by the acquisition. Prior to completion of the acquisition, the contractor shall obtain, for the Commonwealth’s benefit and deliver thereto, the assignee’s agreement to fully honor the terms of the contract.

48. **TITLE TO SOFTWARE:** By submitting a proposal, the offeror represents and warrants that it is the sole owner of the software or, if not the owner, that it has received all legally required authorizations from the owner to license the software, has the full power to grant the rights required by this solicitation, and that neither the software nor its use in accordance with the contract will violate or infringe upon any patent, copyright, trade secret, or any other property rights of another person or organization.

49. **WARRANTY AGAINST SHUTDOWN DEVICES:** The contractor warrants that the equipment and software provided under the contract shall not contain any lock, counter, CPU reference, virus, worm, or other device capable of halting operations or erasing or altering data or programs. Contractor further warrants that neither it, nor its agents, employees, or subcontractors shall insert any shutdown device following delivery of the equipment and software.

50. **WARRANTY OF SOFTWARE:** The contractor warrants the operation of all software products for a period of 12 months from the date of acceptance. During the warranty period, the contractor shall provide 24 hour toll free phone support and all patches, fixes, revisions, updates, upgrades, and minor releases to both the software and its supporting documentation. In addition, the contractor shall provide a two hour return call response time and complete all necessary patches/fixes within 24 hours of initial notification.

51. **YEAR 2000 COMPLIANT (AND ENABLEMENT) WARRANTY:** The contractor warrants that all software, firmware and hardware product(s) delivered to the Commonwealth of Virginia under
any agreement, and which is used in accordance with the product documentation provided by
the contractor, shall be 4-digit Year 2000 compliant (or approved enabled). All products shall
accurately process all date-change data from start to finish, including, but not limited to,
twentieth, twenty-first centuries and leap year calculations.

Any product provided under this Agreement discovered not to be compliant after acceptance
shall be corrected by the contractor at no additional cost to the Commonwealth. Failure to
correct the deficiency shall subject the contractor to default action.

The contractor shall not be responsible for correcting any product(s) (e.g., hardware, software,
firmware) which were not provided under this agreement or for correcting any previously owned
Commonwealth products that are used in combination with the contractor’s product(s);
however, if this solicitation identifies any product or sources of data to be used in combination
with the product(s) delivered under the resulting agreement, the contractor shall be responsible
for providing all necessary interface(s) or other appropriate means for ensuring that date data
output from such other product(s) or source(s) is automatically corrected before being processed
by the product(s) or system provided under this agreement.

52. NONVISUAL ACCESS TO TECHNOLOGY: All information technology which, pursuant to this
agreement, is purchased or upgraded by or for the use of any State agency or institution or
political subdivision of the Commonwealth (the “Technology”) shall comply with the following
nonvisual access standards from the date of purchase or upgrade until the expiration of this
agreement:

(i) effective, interactive control and use of the Technology shall be readily achievable by
nonvisual means;

(ii) the Technology equipped for nonvisual access shall be compatible with information
technology used by other individuals with whom any blind or visually impaired user of
the technology interacts;

(iii) Nonvisual Access Technology shall be integrated into any networks used to share
communications among employees, program participants or the public; and

(iv) the Technology for nonvisual access shall have the capability of providing equivalent
access by nonvisual means to telecommunications or other interconnected network
services used by persons who are not blind or visually impaired.

Compliance with the foregoing nonvisual access standards shall not be required if the head of the
using agency, institution or political subdivision determines that (i) the Technology is not
available with nonvisual access because the essential elements of the Technology are visual and
(ii) nonvisual equivalence is not available.

Installation of hardware, software or peripheral devices used for nonvisual access is not required
when the Technology is being used exclusively by individuals who are not blind or visually
impaired, but applications programs and underlying operating systems (including the format of
the data) used for the manipulation and presentation of information shall permit the installation
and effective use of nonvisual access software and peripheral devices.

If requested, the Contractor must provide a detailed explanation of how compliance with the
foregoing nonvisual access standards is achieved and a validation of concept demonstration.
The requirements of this Paragraph shall be construed to achieve full compliance with the Information Technology Access Act, §§ 2.2-3500 through 2.2-3504 of the Code of Virginia.

X. METHOD OF PAYMENT: Payment will be made at the completion of the project. Goods and services provided will be verified against the Statement of Needs prior to payment of invoice. Contractor must send complete invoice, by the 10th of the month following completion of the project, to:
